## **Why is being a not-for-profit cemetery important?**

Dayton Memorial Park Cemetery and Mausoleums was founded one hundred years ago. At that time, a group of community leaders decided a “not-for-profit” cemetery was needed in the rapidly growing area of North Dayton. Their foresight created Dayton Memorial Park Cemetery and Mausoleums.

### **Not-for profit advantages:**

- All ‘profits’ are reinvested in the facility, not to pay owners dividends.
- Being a not-for-profit, families that purchase a grave(s) have input into cemetery operations
- Dayton Memorial Park Cemetery and Mausoleums was the recipient of the 2018 Vandalia/Butler Chamber of Commerce, Non-Profit Organization of the Year Award.
