

Dayton Memorial Park

CEMETERY AND MAUSOLEUM

A Beautiful Place to Celebrate Life!

Dayton Memorial Park Cemetery and Mausoleums

Special Announcement

Recently, we have been experiencing a large number of reports of missing saddle arrangements and other flowers. Thanks to an observant frequent visitor, the situation has been resolved. Butler Township Police have identified the perpetrator that was removing the flowers and they may be charged with theft.

Dayton Memorial Cemetery and Mausoleums is making every effort to get these flowers back to the families they belong to. All of the flowers that the perpetrator still had have been returned to the cemetery. If you recently lost any flowers or a saddle arrangement please stop by and see if we have your flowers. These flowers will be on display in the Abbey Mausoleum Tuesday, March 22 – Sunday, March 27.

Any flowers that remain after March 27 will be donated to a charitable organization.

We greatly regret all the stress and consternation that this situation has caused.

On the positive side, thanks to the quick actions of the frequent visitor, Dayton Memorial Park staff and the Butler Township Police department, the situation has been resolved.
